Technical Career Investment Grant Program

Attract and Retain Engineering Talent

Bridge Builders Community Foundations is offering an exciting opportunity for businesses to attract and retain highly skilled engineering professionals. Through a unique award program, companies have the chance to support recent engineering graduates by helping reduce their college debt, allowing these companies to strengthen their workforce with top-tier talent.

Introducing the Technical Career Grant Program

This fund is designed specifically for new hires in Venango County who are recent graduates with a Bachelor's degree in Engineering from an accredited institution. By participating in this program, businesses can assist in alleviating student loan burdens for engineering professionals, while ensuring that their company benefits from the skills and expertise of these talented individuals.

What Do Candidates Receive?

Eligible applicants can receive one award of **\$5,000 or greater**. A candidate who receives an award can apply a second time, but cannot receive more than two awards.

Eligibility Requirements

To be eligible for this program, an award candidate must:

- ✓ Be a college graduate with a bachelor's or master's degree in engineering
- ✓ Must live in Venango County
- ✓ Have a letter of support from their current employer
- ✓ Have been employed as an engineer in Venango County for no more than 3 years
- ✓ Have an outstanding college student loan balance of \$5,000 or greater
